

# Paediatric Simulation Faculty Development Programme

## APPLICATIONS OPEN FOR 2021

**Fantastic opportunity to become involved in simulation training whilst developing skills in medical education and leadership**

- Our goal is to provide support for all paediatric units within London in order to integrate simulation training into in-house teaching
- In order to do this we need to train a motivated and enthusiastic faculty

### WHO CAN APPLY TO BE FACULTY?

Consultants/ST6/7/8 or equivalent trainees, Nurses and Allied Health Professionals

### WHAT DOES THIS PROGRAMME INVOLVE?

Modular training package:

1. Launch Event – 2<sup>nd</sup> December
2. Training the Trainer Course
3. Simulation facilitation practices at paediatric simulation centres
4. Simulation facilitation practices in other paediatric settings

Mentor support through lead simulation centre

Completion of reflective learning log

Completion of competency frameworks aligned to standards set by

- ❖ London Deanery Professional Development Framework
- ❖ Academy of Medical Educators Professional Standards
- ❖ Medical Leadership Competencies Framework

## How do I apply?

- ❖ Decide which paediatric simulation centre you would like to train through (see next page)
- ❖ Complete the attached form and send it to Mehrengise Cooper with preferences for your centre of choice stated by 12pm on Sunday 31<sup>st</sup> October.
- ❖ All applicants will be notified by Friday 5<sup>th</sup> November
- ❖ You must be able to attend a full day launch event on December 2<sup>nd</sup> 2021
- ❖ You must be able to commit to the full training: this will take a minimum of 6-12 months with approximately 6-8 days of study leave
- ❖ Any questions please contact London School of Paediatrics Simulation Training Programme Directors:
  - ❖ Mehrengise Cooper (Lead Simulation TPD and NWL Lead) [mehrengise.cooper@nhs.net](mailto:mehrengise.cooper@nhs.net)
  - ❖ Amutha Anpananthar (NCEL Lead) [amutha.anpananthar@nhs.net](mailto:amutha.anpananthar@nhs.net)
  - ❖ Trisha Radia (SL Lead) [trisharadia@nhs.net](mailto:trisharadia@nhs.net)
  - ❖ Morwenna Hodin (SL Lead) [morwenna.hodin@nhs.net](mailto:morwenna.hodin@nhs.net)

**Paediatric Simulation Faculty Development Programme Application Form**

**NAME:**

**GRADE:**

**EMAIL ADDRESS:**

**PLACE OF WORK:**

**Paediatric Simulation Centre of your choice for mentorship (please circle):**

Chelsea and Westminster Hospital

Imperial College Healthcare NHS Trust

Evelina Children's Hospital/King's College collaborative centre

Whipps Cross Hospital/Royal London Hospital/ Homerton Hospital/North Middlesex collaborative centre

St George's Hospital

UCLH/Great Ormond Street Hospital/Whittington Hospital collaborative centre

How has your experience of simulation affected your clinical practice?

# London School of Paediatrics Simulation

Working in  
partnership with

**NHS**  
Health Education England

**RCPCH**  
Royal College of  
Paediatrics and Child Health

What do you think are the main benefits of simulation training in medicine?

What do you hope to gain from participation in this training programme?

Once you are training simulation faculty how would you use your skills in your current role/place of work?
