King's College Hospital NHS Foundation Trust

OUR VISION AND STRATEGY: BOLD

OUR VALUES: KIND, RESPECTFUL, TEAM

Fetal Medicine Research Institute

Bliss for babies born premature or sick

KING'S IS ONIT !

Friday 11th July 2025

ONIT – Obstetric Neonatal Interest Teaching

The first King's College Hospital trainee-led multi-disciplinary team full day event following the patient journey!

Agenda 09:00-17:00

- Opening talk by Professor Kypros Nicolaides
- Monitoring the pregnancy until time of delivery
- Method of delivery and labour medication
- Maternal condition - how does it affect the newborn?
- Preterm optimization from an obstetric & neonatal point of view
- Neonatal Resuscitation – A reminder for all
- Management of surgical babies with live simulation
- Breastfeeding: how to support mothers whose babies have been admitted to NICU
- Difficult decisions in fetal/neonatal medicine
- Parental views of the patient journey and their baby's NICU stay (Bliss charity)
- Closing talk by Professor Anne Greenough
